Re: Support for KatloTech World Wide Fiber Network

On behalf of Inuvik Native Band, we wish to convey our support for the vision to enhance and contribute to the betterment of First Nations communities through advancing fiber optic innovative technology highway and green modular data centers throughout the NWT. The prospect of leading to substantially improved economic development opportunities and enhance the North's tech industry and innovation for First Nations, all the while, creating employment, training and educational opportunities for citizens.

We wish you continued success in your initiative to deploy the fibre line and we look forward to the prospective benefits at project completion.

Sincerely,

Robert Charlie
