Dear Lyle,

I am pleased to write this letter of support for your latest initiative to construct and operate a new fibre optic link from Alberta to the Northwest Territory communities.

Your projects promise to provide an economic opportunity for the members of First Nation communities by offering training and skilled employment.

At our Board of Directors meeting it was agreed upon that a letter of support be written from Summit Indigenous Ventures Inc.

On our behalf, please accept this letter of support for your upcoming projects.

We wish you every success and look forward to hearing more about your projects as they develop.

Sincerely,

Lee Wilburn
